

## Cooking Parties for Kids!

Are you looking for something exciting to do for your son or daughter's next birthday? Join the latest kids cooking craze and host a cooking party at Eurostoves Culinary Center!

At Eurostoves, your child and their friends can be entertained in our kitchen. Your child will have a memorable birthday experience, with lots of hands-on cooking and plenty of fun. Children, ages 5 – 7, will be able to prepare their own party food, choosing from a variety of age appropriate themes. Kids and Teens ages 8 – 16, will learn to prepare their own birthday meal from a wide variety of international and party themes. All parties include beverage and decorating of individual cupcakes. (Custom menu parties are quoted upon request.)

All of our classes are taught and supervised by a professional staff. Our private hands-on cooking parties for kids start at a minimum of 8 children. The cost is \$45 per child (doesn't include 15% gratuity) 50% non refundable deposit required.

Party favors are available at an additional cost. Adults accompanying children are welcome to join the party at no additional cost. Our cooking parties are approximately 2 hours long.
